PLEASE read the “Rules of the Road” for chamber music on the “performance” section of INSIDE MUSIC on the School of Music website:  
http://music.cmu.edu/pages/insidemusic-chambermusic

Contact each other, select/elect/draft a “contact person,” collect your schedules, and submit them to my chamber music Graduate Assistant, Yalyen Savignon:  
ysavigno@andrew.cmu.edu

Groups without listed coaches will be assigned coaches BASED ON YOUR SCHEDULES. This should be done by MIDNIGHT, SEPT 6th! You should start meeting with your coaches as soon as possible, so as to get in the required time by midterm.

Please note that this is only a first draft. Some groups are missing certain instruments, all string quartets are subject to change after the Honors Quartet auditions. However, if your name does NOT appear anywhere on this list that means you neither registered for the course (sign up for section Z, or you will be blocked) NOR turned in a request form NOR emailed the coordinators (always include the word “chamber” in the subject line). If you want/need to be placed in a group, you must contact us in at least one of these ways by noon on Wednesday, August 30. Placement cannot be guaranteed at this point.
